### DISTINGUISHED VISITOR

Senator J. C. W. Beckham was in the city Saturday for a few hours en route for Owensville, where he addressed the untainted democracy, women and men, of the county of Bath. Senator Beckham is one of the ablest senators at Washington and is asking to be returned on his record. The senior senator is too modest to puff himself, but we are of sufficient familiarity with his record to review his career from pages of Kentucky legislature to this good hour and all along his political life we have only words of praise. The temperance people will not forget his efforts and accomplishments while governor of Kentucky and that every word written in the statute books were in the main during his eight years of state service as governor and in fact all temperance legislation was passed by democratic legislatures and signed by democratic governors. The temperance people, women and men, will not forget this when their votes are cast in the coming November election. This matter up before the nation, Senator Beckham was one of the ardent supporters. Today the senator will give an account of his stewardship modestly and briefly making the references briefly and passes on to questions relative to the presidency of the United States. Much of the senator's time was given to reasons why the League of Nations should be approved, the acts of a Democratic administration and why all people of this great country should vote for Governor James M. Cox as president. Kentucky is justly proud of Senator Beckham and will return him to his seat in the Senate by an increased majority.

## Women of Kentucky Know the Issues!

The Republican Party asks the women of Kentucky to vote the straight Republican ticket on November 2nd strictly upon the issues involved in this campaign.

Every woman in Kentucky knows the true campaign issues.

The League of Nations as brought back from France by Woodrow Wilson and endorsed by the Democratic candidate for President is an offense to American womanhood.

It would barter off everything that the American nation and the American home stand for—that right to think and act for ourselves, to live our own lives and to help others as we can.

It would send our sons to war without our consent, to fight for interests which are without our sympathy, at the order of foreign politicians and self-seekers who are not thinking of America or her people.

Instead of keeping us out of war, it would keep us constantly in war, as it would bind us to "preserve the territorial integrity" of every nation.

No thinking Kentucky woman would trade the protecting wisdom of the American constitution for the selfish dictation of a group of European "diplomats."

Kentucky women know that the Democratic Party and its candidates stand for this so-called League with all its obnoxious provisions.

Kentucky women know that the Republican Party stands for an honorable peace, with immediate attention of our President and our Congress to THIS country, its people and its homes, the return to a normal living basis, and the proper distribution of governmental control with a broad and sympathetic friendship for all nations that neither interferes with their affairs nor permits them to interfere with ours.

### CHAMBER OF COMMERCE COMMENTS

—C-of-C—

Effective September 14th, we are advised by Vice President G. B. Wall, of the C. & O., the train heretofore leaving Lexington at 5:30 is directed to wait there 30 minutes, if necessary, for the L. & N. connection that we may be assured of the Louisville evening papers; also giving this connection to those passengers for Mt. Sterling, coming to Lexington on that train and wishing to get to Mt. Sterling before the 9:45. This is quite an improvement and will be appreciated, we are sure, by the entire community.

—C-of-C—

Friday is scheduled as a big day for Mt. Sterling. We are to be visited by Mr. Franklin D. Roosevelt, ex-secretary of the Navy, and candidate for vice president on the Democratic ticket. Coburn's minstrels are also booked here for matinee and night performance. There is to be a crowd estimated from 6,000 to 10,000 people here that day. Let our merchants—especially those members of the Chamber of Commerce—decorate their windows, clean up their sidewalks, etc., that these visitors may see what a live town we have.

—C-of-C—

With every town in the country clamoring for Cox, Roosevelt, Harding or Coolidge and being "tickled to death" when they are honored with even "platform speeches," Mt. Sterling and Montgomery county should feel especially proud when they realize that Mr. Roosevelt is spending four hours in Mt. Sterling while at other points, with the exception of Lexington, where he is scheduled for a speech that afternoon, between Mt. Sterling and Louisville, he gives them merely a "Howdy-Goodbye."

—C-of-C—

They are going to "put the big pot in the little one" at the Sentinel-Democrat lunch to the Chamber of Commerce on Wednesday, October 6th. Be there or you'll be sorry.

—C-of-C—

The "Welcome" signs are now being painted and you members are going to be awfully proud of them. It is hoped that we will be able to get them erected during this week. Look

out for them. It is YOUR glad hand to visitors to Mt. Sterling and the reverse side (Thanks, come again, and oftener). Your words of appreciation of the trade done with us.

—C-of-C—

The details in connection with the tobacco, corn, pumpkin and style show are being worked out by your publicity and events committee. If what all they have in mind materializes the business interests of Mt. Sterling are due for the biggest send-off they have ever had. Full details of this will be given each of you later.

—C-of-C—

President Hoffman and Secretary Sharp, with the events and publicity committee, are planning, or rather "doping out," a trip to several of our neighboring towns; a handshaking, "Hello, Bill," "If you can buy it in your town, buy it there; but if you can't get it there, then come to Mt. Sterling and get it" sort of trip. YOU will, of course, want YOUR business represented. It will be well worth while, for Colonel Geo. C. Eastin will have charge of the party if it is decided to make the trip. Isn't that sufficient guarantee?

—C-of-C—

Learning that a most prominent citizen from one of our neighboring counties contemplated moving from there, President Hoffman wrote, in the name of the club, asking his consideration of Mt. Sterling as his future home, telling him of our good schools, churches, etc., with the result that he came, he saw and he bought. More of such cordiality should be displayed by all of our members. Whenever such news comes to you, tell either President Hoffman or Secretary Sharp and they'll be glad to do the work, if you would prefer.

—C-of-C—

Speak early for your booth at the style show. There will be only 24 and, from the enthusiasm displayed by those to whom the writer has talked, they will soon be spoken for, and you'd hate for your competitor to have a nice, attractive booth and you not be represented. Get busy, speak to any of either the events or publicity committee and they will take care of you.

### THE \$14,000 FUTURITY

At Lexington October 5 the Kentucky Futurity (\$14,000), the drawing card for that day, promises to be one of the greatest races ever witnessed; for it is 3-in-5 to a finish, the only 3-in-5 event of the year for colts of that age (which means that the very fastest and gamest only will start). And amongst those almost certain to start are not only Sister Bertha, 2:06 3-4; Arion Guy, 2:05 1-4; Voltage, 2:06 1-4, the trio that finished one, two, three in that desperate race (for \$6,000) at Columbus last Tuesday, but also Daystar, 2:06 3-4; Great Britton, 2:07 1-4; Lucile Harvester, 2:08 1-4; Natalie the Great, 2:08 1-4; Signal Peter, 2:08 1-4; Emma Harvester, 2:08 1-2; Miss Ellen Todd, (2:10 1-4 on a half mile track), and Ean Andreas, a frequent winner amongst aged horses on the half-mile track. And there are others, but the above took the best and are almost certain to make the field.

### SEPARATE BALLOTS FOR WOMEN NOT REQUIRED

Adoption of the Nineteenth Amendment was anticipated by an act of the 1920 Legislature, which provided for reforming the election machinery; so no separate ballots will be provided this year and women will vote for every office. This explanation has been sent out by Secretary of State Fred A. Vaughn, in instructions to county clerks. There will, of course, be separate non-partisan ballots for school trustee elections.

Don't forget the sale of the Mrs. Jennie Robinson property on West High street Saturday afternoon at 2:30 on the premises. (100-2t)
